<p>Georg Philipp Telemann WORKS FOR SOPRANO AND RECORDER</p> <p>Dorothee Miels Stefan Temmingh</p>	ACC24371	PC: 01Q
	1 CD 2020	

For some years now, the South African recorder player **Stefan Temmingh** and the German soprano and early music specialist **Dorothee Miels** have been forming a successful artistic team. Especially their second CD, entitled "Birds" from 2015, has attracted worldwide attention. Now the two exceptional artists are focusing on the composer Georg Philipp Telemann who was one of the most famous composers of his time and wrote an incredible number of works in a wide variety of styles and genres. His collection "Harmonischer Gottesdienst" contains enchanting sacred cantatas for soprano with obbligato recorder, three of which are presented on this CD. Stefan Temmingh combines the cantatas with three virtuoso recorder sonatas from Telemann's oeuvre.
