MÁS ALLÁ DEL SUEÑO Works by Vivaldi, de Falla et al. Duo Accordarra	ARS 38251	PC: 01S
	1 SACD-Hybrid 2017	

When Krisztián Palágyi (accordion) and Ivan Petricevic (guitar) noticed how different the timbres of their two instruments are, they decided to give their favorite works with their own arrangements a new sound. In this way, the musicians open up unheard-of facets to already great and compelling works. The title of the recording, *Más allá del sueño* or *Beyond the Dream*, underlines the duo's intention to always think ahead with regards to musical development, to seek inspiration in the future and to remain open to new ideas and dreams.
