

Dmitri Schostakowitsch A LIGHT IN THE DARK Sabine Weyer – piano Nordwestdeutsche Philharmonie Erich Polz – direction	ARS 38265	PC: 01S
	1 SACD-Hybrid 2017	

The CD combines three works by Dmitri Shostakovich, which do not correspond to the cliché of the composer suffering under the Soviet cultural doctrine. While the almost neo-classical ninth symphony refuses any bombast, the two later works show more optimism. No wonder: Stalin was dead, the composer had survived all threats.
