

BEYOND Piano works by Liszt, Bach et al.	ARS 38261	PC: 01S
	1 SACD-Hybrid	
Katharina Treutler	2017	

Katharina Treutler's production offers devilish pleasure alongside intimate worship of God. For example, Ligeti's tricky, demonic 'Treppenwitz' stands opposite the glistening piano work of the faithful Catholic Messiaen. Enlivened by variations of the Holy Spirit, his music seems to sparkle through the windows of an important French cathedral.
