	1 SACD-Hybrid 2018	
(Empty space for additional information)		

Julia Rinderle, born 1990 in Memmingen, studied in Hanover with Roland Krüger, at the Salzburg Mozarteum and in Vienna. She also attended numerous master classes (among others with Emanuel Ax and Paul Badura-Skoda). The young pianist fascinates her audience with strong stage presence and deeply felt playing. On this recording she presents herself with an expressive Schubert album.
