

SLAVIC SOUL Works by Shostakovich, Afanasyev & Glière Oberton String Octet	ARS38305	PC: 01S
	1 SACD-Hybrid 2019	

Founded in 2015, **Oberton String Octet** can look back on a successful career after only a few years. The eight young musicians from different nations are constantly working to expand their repertoire - from standard works and distinctive arrangements to rarities and world premieres. Here they present themselves with three string octets by Russian composers.
