

Franz Schubert PIANO SONATAS Hans-Jürg Strub – piano	ARS38307	PC: 02L
	2 SACD-Hybrid 2020	

In Franz Schubert's piano sonatas D 959 & 960 we experience a wealth of different characters and contrasting emotions. The tension ranges from the greatest brightness to the deepest darkness, from powerful verve and chromatic turmoil to immersion and tenderness. In his recording, **Hans-Jürg Strub** traces the abundance of contrasts without losing sight of the big picture.
