TANGO CONCERTANTE VOL. 1 Works by Piazzolla, Massa et al.	ARS38324	PC: 01S
	1 SACD-Hybrid	
Arde Trio	2020	

A CD on the occasion of the 100th birthday of Astor Piazzolla. The arde Trio offers two world premieres on its debut CD: Fresh and new arrangements by Omar Massa, which are congenially embodied by the unusual instrumentation of the arde Trio, allow not only the great "classics" of Tango Nuevo music to resound anew on this CD, but also the new compositions of Omar Massa, who leads Tango Nuevo into the 21st century and is described by the press as the secret successor of the great Astor Piazzolla. Experience a fascinating journey through time!
