	1 SACD-Hybrid	
Tatjana Uhde – cello Lisa Wellisch – piano	2021	

All of the works gathered on this album have - as different as they may be - one thing in common: they can be heard in the popular and idealized folk tone popular in the Romantic period. Whether Schumann's *Fantasiestücke* or Schubert's *Arpeggione Sonata*, all of these pieces catch the ear quickly, stir deep emotions and yet are complexly composed works that place the highest demands on cello and piano.
