HISTOIRES FOR HARP & PIANO

Works by Oberthür/Labarre/Steil/+

Duo Praxedis

For more than ten years the **Duo Praxedis** has been convincingly showing us the fascination of the unusual combination of harp and piano. With this recording, mother and daughter present a family project with compositions by Carl Rütli (*1949), the husband of harpist Praxedis Hug-Rütli. It is almost needless to mention that the pieces are tailor-made for the two ladies.
