	1 CD  2019	
(Empty space for additional information)		

With their interpretation of Franz Schubert's song cycle Winterreise, the young baritone Benjamin Hewat-Craw and his accompanist Yuhao Guo would like to appeal not least to young people, since members of this generation in particular may still have fresh experiences with lovesickness. That the artists have been working on the cycle for a long time can be heard in their recording on ARS PRODUKTION.
