	1 CD 2020	

Familiar Christmas melodies from the German-speaking countries as well as a selection of the most beautiful Christmas songs from all over the world are brought together by the renowned Leipzig **Calmus Ensemble** on their new Christmas CD. The arrangements for the vocal quintet of *Es kommt ein Schiff geladen*, *Barn Jesus i en krybbe lå*, *Stille Nacht* and of course *White Christmas* give the traditional songs a fresh, sonorous and sometimes surprising sound. Always touching, but never kitschy, *White Christmas* by Calmus is a real "must have" for the Advent and Christmas season!
