bFIVE recorder consort Sunhae Im – soprano	2016	
<b>Also available: COV 91415</b> <b>John Dowland – LACHRIMAE/+</b> bFIVE Recorder Consort		

Since her European stage debut in the year 2000, South Korean soprano **Sunhae Im** has proven her artistic versatility in a multitude of international productions. Her agile voice was particularly convincing in the stage works of Handel and Vivaldi. The present CD with the **bFIVE Recorder Consort** shows that she can do more than just voice acrobatics and baroque opera. Together they play William Byrd's songs with subtle and elevating authenticity.
