

Wolfgang Amadeus Mozart MOZART CONCERTI Argovia philharmonic Hisako Kawamura Douglas Bostock Andrea Cellacchi Rune Bergmann	COV 91812	PC: 01S
	1 CD 2017	

Mozart's early bassoon concerto KV 191 is one of the best known of its kind, offering the soloist a lot of opportunities to show off their virtuoso skills effectively. Together with the popular Piano Concerto KV 467, the soloists and the **argovia philharmonic** present themselves as outstandingly well-rehearsed team players on this recording.
