The Shostakovich cycle with **Vladimir Fedoseyev** and the **Tchaikovsky Symphony Orchestra of Moscow radio** will be continued with two further episodes: the energetic fourth symphony and the enigmatic 15th symphony with the suite from the film music to "Five Day Five Nights" Op. 111. The Orchestra has premiered several works by Shostakovich, and Fedosseyev's career is closely linked to the works of the great Russian composer - the best conditions for an ideal interpretation.
