

<b>VON MÜTTERN UND TÖCHTERN</b> Songs by Haydn, Mozart et al.	DGCD 21103	PC: 01Q
	1 CD, 2016 & 2017	
Dorothe Ingenfeld – mezzo-soprano Anita Keller – piano Katrin Dasch – piano		

Looking at her favourite songs, **Dorothe Ingenfeld** discovered that three of them had one thematic connection: The relationship between mothers and daughters. Together with her two pianists she looked for other such songs, which build the programme of this CD. Works by e.g. Schumann, Wolf or Loewe can be heard, but also pieces by rather unknown composers.
