	2018	

This long-expected new double CD presents **Kinan Azmeh** as composer, soloist and outstanding improvisator together with the Grammy-awarded **Deutsches Symphonie-Orchester Berlin**, conducted by **Manuel Nawri**. One CD presents Kinan as interpreter of his own music while the second CD presents three clarinet concertos that were written for him by the Syrian composers Kareem Roustom, Zaid Jabri and Dia Succari. Finally it presents to the most recent of Azmeh's works, *The Fence, the Rooftop and the Distant Sea*, a duo for clarinet and cello written for himself and **Yo-Yo Ma**, commissioned by the Elbphilharmonie in Hamburg and first performed there in January 2017.
