Marin Marais LE LABYRINTHE	GCD C80804	PC: 01H
	1 CD	
Paolo Pandolfo Thomas Boysen Mitzi Meyerson Et al.	1999	

Paolo Pandolfo is no doubt one of Glossa's key artists. Still on the label since he joined it in 1995, this recording of a selection of works by Marin Marais was a milestone in his career. Rarely has this repertoire been played with such an energy and attention to detail, with such a magic in all its many special moments. An all-star setup including **Thomas Boysen**, **Mitzi Meyerson** and **Pedro Estevan** tells us about the labyrinth at Versailles, the bells of Paris or a painful surgery. Among the many unforgettable moments are Pandolfo's reading of the *Tombeau pour Marais le Cadet* and the *Chaconne*.
