

<b>Antonio Vivaldi</b> <b>VIOLIN SONATAS &amp; CONCERTO</b>  Isabella Bison Marco Frezzato Francesco Corti	PAS1072	PC: 01Q
	1 CD  2018	

This recording presents 5 violin sonatas by Vivaldi that Pisendel took with him to Dresden after his stay in Venice. We know that Vivaldi wrote these extremely virtuoso sonatas for himself around 1710. The recording also presents a world première recording of a chamber concerto for violin and two movements for violin and basso continuo with cello concertato (RV 252 and RV 7a) which are also world première recordings. All these refreshing sonatas are brilliantly performed by **Isabella Bison**, violin, **Francesco Corti**, harpsichord and **Marco Frezzato**, cello.
