<b>FANTASIA BELLISSIMA</b> <b>The Lviv lute tablature</b>  Bernhard Hofstötter – lute	TXA18116	PC: 01S
	1 LP	
	2018	

In 1937, a Viennese antiquarian sells a comprehensive lute tablature, which then ends up in Lviv in today's Ukraine. For decades, the tablature is out of reach and subject to wild speculation. Today, it once again reveals European Renaissance masterpieces, presented here on this LP.
