

„Nicht Bach, sondern Meer sollte er heißen!“
Ludwig van Beethoven
(Translator's note: "It's not Bach he should be called, but Meer!" In German, this is a play on words: "Bach" means brook and "Meer" means sea.)
The "Musical Offering" collection of pieces, dedicated to the Prussian King, Frederick II, is a contrapuntal masterpiece, in which Johann Sebastian Bach seems to draw every conceivable facet from a single theme (Thema Regium – royal theme). It is a musical testament of the old master, full of freshness, creativity and original quality – like an endless sea.
With this recording, Ensemble Barockin' presents a musically careful and genuinely new interpretation.

„Nicht Bach, sondern Meer sollte er heißen!“
Ludwig van Beethoven
Der dem Preußenkönig Friedrich II. gewidmete Werkkomplex „Musikalisches Opfer“ ist ein kontrapunktisches Meisterwerk, bei dem Johann Sebastian Bach alle erdenklichen Facetten aus einem Thema (Thema Regium – Königliches Thema) zu ziehen scheint. Ein musikalisches Testament des alten Meisters, voller Frische, Kreativität und Ursprungsqualität – wie ein unendliches Meer.
Das Ensemble Barockin' stellt mit dieser Einspielung eine musikalisch bedachte und aufrechtig neue Interpretation vor.

Order No. / Bestell-Nr. / n° de cde / 申し込み番号: **TXA19136**

- Johann Sebastian Bach** (1685–1750)
